Division/ Department:	Construction	Hourly/ Salary:	Salary
Salary/ Salary Range or Hourly Rate:	Commensurate with experience	Regular/ Temporary/ Per Diem:	Regular
Work Schedule:	Monday-Friday	Exempt/ Non-Exempt:	Exempt

Company Overview:

SBP is an award-winning, innovative nonprofit organization that shrinks the time between disaster and recovery. A leader in volunteer-driven, post-disaster rebuilding; SBP educates, advocates and improves the disaster recovery sector so that we can collectively achieve more for communities. With a team of 50 staff and 180 AmeriCorps members, SBP has rebuilt 1,200 homes across 8 states and shared best practices with many more.

SBP's vision is to embrace constant improvement, community-wide collaboration, and clear benchmarks to reduce human suffering caused by the tolls of delay in recovery. By pairing resilience training with recovery operations, we strive to reduce the need for our rebuilding services by increasing preparedness among vulnerable communities.

SBP encourages individuals that are hungry for change and eager to innovate to join our team so that we can change the future of disaster recovery together.

Job Summary:

The New York Construction Manager will oversee the Construction Department to address damage following Hurricane Sandy. The CM will provide daily oversight for rebuilding projects. The CM will successfully train and mentor 15+ AmeriCorps members serving within the construction department at sites across Brooklyn and Queens. The CM will ensure all home-repair projects fall within predetermined timelines and budgets, with a strict focus on safety.

Qualifications:

- Clear communication skills and a strong sense of maturity, positivity, and professionalism. Ability to develop working relationships with team members.
- Able to satisfactorily pass a Criminal History Check to include sex offender registry, Texas State Police, and FBI.
- Valid driver license and reliable transportation. A company vehicle will be provided for work-related travel.
- Graduate of a four-year degree program preferably in construction management, construction science, architecture or business administration.
- 7 years or more of experience assisting or supervising residential construction projects of increasing complexity.
- Ability to train AmeriCorps Site Supervisors and volunteers in the following phases of construction: Insulation, drywall, mudding, paint, interior doors and trim, final punch.
- Ability to read architectural drawings, estimate projects and develop scopes of work.

Job Description - Construction Manager: SBP New York

- Knowledge of the nonprofit/ volunteer-driven construction is preferred.
- Commitment to continual improvement (of oneself, supervisees and the construction process).
- Experience and/ or willingness to work effectively with/ supervise volunteers, team members, in-house trades and subcontractors with diverse skill sets and backgrounds.
- Ability to multitask effectively.

Responsibilities:

Construction Administration

- A. Oversee contract negotiation and execution with subcontractors and vendors to guarantee timely, accurate and cost effective project completion.
- B. Manage inspections, permits, utility activation, and other administrative items with city/municipal entities so that homes are built to code and adhere to schedule.
- C. Create all estimates, scopes of work and Gantt schedules for new projects.
- D. Facilitate initial walk through with clients to ensure scope of work is accurate.
- E. Manage change orders as needed while keeping project on time and budget.
- F. Oversee final walk through with clients and/or external parties and complete punch list items as quickly as possible.
- G. Resolve, track and identify methods to avoid warranty or rework repairs.
- H. Ensure projects adhere to regulations imposed by grantors.

Material & Labor Procurement

- A. Develop robust and mutually beneficial relationships with vendors, subcontractors, inspectors, local planning offices, and funders.
- B. Ensure all material orders are correct in quantity, delivered on time and are processed in accordance with SBP procurement rules to produce maximum cost savings and efficiency in scheduling.
- C. Negotiate prices and timelines for subcontracted labor and materials.

Information Management

- A. Oversee the approval, coding and processing of all construction-related invoices.
- B. Manage and communicate, in coordination with Director and Community Engagement Manager, project pipeline to ensure continuity of active projects throughout the year.
- C. Be solutions-oriented and innovative in scheduling volunteers at construction projects, proposing potential placements and ensuring each project offers a meaningful experience.
- D. Manage construction budget- tracking budget vs. actual for each project, identifying trends and proposing solutions to ensure more adequate budgeting.
- E. Ensure all electronic construction files, Gantt charts, excel tracking documents, and white boards are up-to-date with accurate information.

Team Management & Leadership

- A. Ensure excellence- high quality service delivery, accurate administration, and effective strategic planning for Construction Department.
- B. Hire, lead, develop, support, and retain a team of high performing AmeriCorps members.
- C. Oversee the scheduling of all construction team resources to allow for efficient project completion and best utilization of all assets.
- D. Oversee and continually refine training curriculum for all Construction Department team members to ensure quality work and constant improvement.
- E. Remain abreast of relevant information affecting home building codes, standards and

Job Description - Construction Manager: SBP New York

- processes and ensure this is communicated throughout the Construction Department.
- F. Inspire a culture within the Construction Department that embraces safety and cleanliness as a top priority and develop mechanisms to ensure that this is met.
 - G. Actively work to mitigate workplace accidents and safety concerns.
 - H. Represent SBP as needed and communicate an engaging vision that inspires current partners to deepen their involvement and activates new partnerships.

Primary Relationships:

This position reports to the New York Director of Recovery. This position works alongside the AmeriCorps Program Manager and Community Engagement Manager. The CM manages Site Supervisors and Supply & Logistics Coordinators.

Performance Expectations:

The individual is expected to:

- Embody the values, mission and vision of SBP in your communication and interaction.
- Effectively and positively manage multiple projects and people.
- Work productively with limited supervision.
- Seek out and participate in professional development and leadership opportunities.
- Translate broad goals into achievable steps.
- Help set and manage appropriate expectations.
- Handle detailed, complex concepts and problems and make rapid decisions.
- Develop smooth and constructive relationships with people from all segments of the community.
- Plan and meet deadlines.
- Maintain a flexible work schedule to meet the demands.
- Demonstrate initiative and work as a team player.
- Convey a professional and positive image and attitude regarding the organization and the not-for-profit sector.
- Provide effective leadership and take full accountability for achieving departmental and organizational goals.
- Participate in company-wide events, such as meetings and socials.
- Collaborate effectively with all other departments to bring about the best result for clients.
