Ambassadors commit to completing 3 impact projects :

GIVE Time and/or resources

GIVE Commitments

SBP relies on volunteers like you to rebuild homes efficiently. Together, by donating your time and/or resources, we can shrink the time between disaster and recovery.

- Schedule a volunteer day (or two!) at SBP!
- Donate at SBPUSA.org/donate. A small donation goes a long way!

GET Others involved with SBP

GET Commitments

After learning about SBP's impact and your volunteer experience, others will want to get involved too! People will believe in SBP's mission because they believe in YOU!

- Set a goal to raise \$250 or more during your 6 month commitment. Fundraise online, hold an event, or ask us about more ways to get others involved!

SHARE The word about SBP

SHARE Commitments

Social media is a fast and easy way to spread the word about SBP's mission and impact. Your posts will inspire others to get involved too!

Ask us about more ways to share the word about SBP!

- Follow @SBPUSA on Facebook, Instagram, and Twitter.
- Using any social platform, post (reposts count!) a message about SBP at least 1x / month during your 6 month commitment - be sure to tag SBP in your posts!

After completing SBP's GIVE/GET/SHARE impact projects, tell us how you've earned your SBP Ambassador Certification by sending your SBP story to VOLUNTEER@sbpusa.org. Be sure to include screen shots of social media postings, photos of events, donation receipts, etc.
