

Position: Client Services Manager
Organization: SBP, Inc.
Reports to: Puerto Rico Executive Director

About SBP

SBP, Inc. (formerly, St. Bernard Project) is an award-winning, innovative nonprofit organization that shrinks the time between disaster and recovery. A leader in volunteer-driven, post-disaster rebuilding; SBP educates, advocates and improves the disaster recovery sector so that we can collectively achieve more for communities. With a team of 50 staff and 180 AmeriCorps members, SBP has rebuilt more than 1,170 homes across 7 states and shared best practices with many more.

SBP's vision is to embrace constant improvement, community-wide collaboration, and clear benchmarks to reduce human suffering caused by the tolls of delay in recovery. By pairing resilience training with recovery operations, we strive to reduce the need for our rebuilding services over time by increasing preparedness among vulnerable communities.

SBP encourages individuals that are hungry for change and eager to innovate to join our team so that we can change the future of disaster recovery together.

Overview

The Construction Project Manager will oversee field operations and provide daily oversight for gutting projects- ensuring projects are completed in a safe and quality manner with the tools and materials needed- and provide planning to develop a queue of projects to be completed. As the program continues to operate, the Project Manager will assist in transitioning the program to take on rebuilding projects in addition to gutting.

Leadership & Management

- Implement vision and operational plan for the Client Service activity that meets or exceeds the goals of SBP and its relevant partner organizations.
- Display strong commitment to SBP's mission, values, and ethos of community service and continual improvement.
- Manage client intake activity to support SBP's partners. Provide training and support to other SBP locations and partners in this function area as needed.
- Cultivate and maintain excellent relationships with external partners and stakeholders. Represent the organization as needed at meetings, events and on phone calls.
- Assist as needed in the delivery of SBP's recovery and resilience training materials to at-risk and affected populations.

Client Services/Case Management

- Manage the successful day-to-day client service partnership operations. Be available and provide support to Client Services Coordinators (CSC's) as needed. Provide guidance on the resolution of difficult cases/scenarios.
- Attend and review client intakes as needed. Ensure that all approved clients meet the criteria to receive rebuilding services. Offer referrals and other supports that clients may need.
- Train and support incoming CSC's and ensure the successful transition of clients from the outgoing to the incoming CSC.

- Maintain a client caseload commensurate with partner organization capacity.
- Manage and improve the client experience: ensure that all communication with clients is clear, honest, and accurate; conduct pre/post client surveys; and develop quarterly reports on client satisfaction.
- Assist with the preparation of materials to share with other organizations.
- Support efforts to share best practices with recently impacted communities and community organizations.

Management & Compliance

- Adhere to all program guidelines and contracts set forth by funding partners. Prepare reports as needed.
- Ensure proper file management/document collection.
