

Position: Construction Manager
Organization: SBP - New Jersey
Reports to: Director of Construction- New Jersey

About SBP

SBP is an award-winning, innovative nonprofit organization that shrinks the time between disaster and recovery. A leader in volunteer-driven, post-disaster rebuilding; SBP educates, advocates and improves the disaster recovery sector so that we can collectively achieve more for communities. With a team of 80+ staff and 240 AmeriCorps members, SBP has rebuilt more than 1,600 homes across 8 states and shared best practices with many more.

SBP's vision is to embrace constant improvement, community-wide collaboration, and clear benchmarks to reduce human suffering caused by the tolls of delay in recovery. By pairing resilience training with recovery operations, we strive to reduce the need for our rebuilding services over time by increasing preparedness among vulnerable communities.

SBP encourages individuals that are hungry for change and eager to innovate to join our team so that we can change the future of disaster recovery together.

Project Management

- Manage 15+ active projects, as well as additional projects in the pre or post construction phase
- Create and track schedule for each project assigned and ensure that the project stays on schedule
- Develop accurate and thorough estimates and scopes of work for newly assigned projects
- Ensure scopes of work and project estimates include adherence to state/federal funding, township requirements and account for bringing the project to safe, secure and sanitary conditions.
- Track budget vs actual for each assigned project, identify trends and propose solutions to ensure more accurate budgeting within 5% of projected costs
- Secure, schedule and coordinate subcontracted labor
- Be solutions oriented and innovative in scheduling skilled trades at assigned construction projects and ensuring each project offers meets local and state building codes
- Maintain accurate electronic construction files, gantt charts, whiteboards, and excel tracking documents.
- Provide weekly updates to the director on the status and progress of all projects
- Provide additional support to Director of Construction as needed

Material Management & Procurement

- Ensure all acquisition from vendors follow required SBP protocol and documentation to guarantee accurate tracking of financials
- Ensure that tools and supplies are stored, maintained, tracked and inventoried in a way that protects and preserves them
- Ensure a safe, organized and clean work environment is maintained at all times
- Secure materials and tools in accordance with SBP procurement rules to produce maximum cost savings and efficiency of scheduling
- Develop and maintain mutually beneficial, responsive relationships with subcontractors and vendors

Communication with Client Services Team

- Participate in start file meetings, period inspections and close out paperwork according to SBP or grantor protocols
- Communicate progress towards completion and answer questions from client or Client Services team

Manage Team Members

- Provide timely support to SBP-NJ AmeriCorps members and staff to ensure their respective goals are met
- Provide guidance and technical expertise to troubleshoot issues that arise
- Coordinate with AmeriCorps members: Project Leads and Supply & Logistics Coordinators to order materials, maintain cleanliness, safety and quality standards
- Provide initial and ongoing training for AmeriCorps members as needed
- Conduct evaluations/reviews, terminations, vacation and sick requests
- Foster relationships of trust, respect and accountability in collaborating with other team members and departments

Other Responsibilities

- Effectively and positively manage multiple projects and people
- Work productively with limited supervision
- Commitment to continual improvement (of oneself, supervisees and the construction process)
- Ability to train Project Leads and volunteers in the following phases of construction: insulation, drywall, mudding, paint, interior trim and doors, final punch
- Ability to read architectural drawings, estimate projects and develop scopes of work
- Experience and/or willingness to work effectively with/supervise volunteers, team members, in house trades and subcontractors with diverse skills sets and backgrounds
- Clear communication skills
- Seek out and participate in professional development and leadership opportunities

Qualifications and Requirements

- Residential construction/ rehabilitation experience required.
- High school diploma or equivalent required
- Experience and/ or willingness to work effectively with/ supervise volunteers, team members, in-house trades and subcontractors with diverse skill sets and backgrounds.
- Ability to train Project Leads and volunteers in the following phases of construction: insulation, drywall, mudding, paint, interior trim and doors, final punch
- Ability to read architectural drawings, estimate projects and develop scopes of work
- Clear communication skills and a strong sense of maturity, positivity, and professionalism.
- Knowledge of the nonprofit/ volunteer-driven construction is preferred.
- Valid driver license and reliable transportation.
- Able to satisfactorily pass a Criminal History Check to include sex offender registry, NJ State Police, and FBI
- Embody the values, mission and vision of SBP in your communication and interaction.
