

Position: Construction Project Manager
Organization: SBP – Houston
Reports to: Houston Director of Construction

About SBP

SBP is an award-winning, innovative nonprofit organization that shrinks the time between disaster and recovery. A leader in volunteer-driven, post-disaster rebuilding; SBP educates, advocates and improves the disaster recovery sector so that we can collectively achieve more for communities. With a team of 60+ staff and 240 AmeriCorps members, SBP has rebuilt 1,600 homes across 8 states and shared best practices with many more.

SBP's vision is to embrace constant improvement, community-wide collaboration, and clear benchmarks to reduce human suffering caused by the tolls of delay in recovery. By pairing resilience training with recovery operations, we strive to reduce the need for our rebuilding services by increasing preparedness among vulnerable communities. SBP encourages individuals that are hungry for change and eager to innovate to join our team so that we can change the future of disaster recovery together.

Job Summary

The Construction Project Manager will oversee field operations and provide daily oversight for housing rebuild projects, ensuring projects are completed in a safe and quality manner with the tools and materials needed, and provide planning to develop a queue of projects to be completed.

Project Management

- Manage 4-10 active projects, as well as additional projects in the pre or post volunteer phase
- Create and track schedule in 24 hour increments for each project assigned and ensure that the project stays on schedule
- Track budget vs actual for each assigned project, identify trends and propose solutions to ensure more accurate budgeting within 5% of projected costs
- Schedule and coordinate subcontracted labor and/or internal trades teams as needed to allow assigned projects to become volunteer ready
- Be solutions oriented and innovative in scheduling volunteers at assigned construction projects and ensuring each project offers a meaningful volunteer experience
- Maintain accurate electronic construction files, gantt charts, whiteboards, and excel tracking documents. Provide weekly updates to the director on the status and progress of all projects
- Develop accurate and thorough estimates and scopes of work for newly assigned projects
- Provide additional support to Director of Construction as needed

Communication with Client Services Team

- Participate in start file meetings, period inspections and close out paperwork according to SBP or grantor protocols
- Communicate progress towards completion and answer questions from client or Client Services Team
- Support Client Services Team as needed

Manage Team Members

- Provide timely support to Project Leads and any other members or construction staff to ensure their respective goals are met
- Provide guidance and technical expertise to troubleshoot issues that arise
- Coordinate with Project Leads to order materials, maintain cleanliness, safety and quality standards
- Provide initial and ongoing training for AmeriCorps members as needed
- Conduct evaluations/reviews, terminations, vacation and sick requests
- Foster relationships of trust, respect and accountability in collaborating with other team members and departments

Requirements

- Residential construction/ rehabilitation experience preferred.
- Experience and/ or willingness to work effectively with/ supervise volunteers, team members, in-house trades and subcontractors with diverse skill sets and backgrounds.
- Clear communication skills and a strong sense of maturity, positivity, and professionalism.
- Knowledge of the nonprofit/ volunteer-driven construction is preferred.
- Valid driver license and reliable transportation.
- Able to satisfactorily pass a Criminal History Check to include sex offender registry, Texas State Police, and FBI.
- High school diploma or equivalent required
- Embody the values, mission and vision of SBP in your communication and interaction.
- Effectively and positively manage multiple projects and people
- Work productively with limited supervision
- Commitment to continual improvement - of oneself, supervisees and the construction process
- Ability to train Project Leads and volunteers in the following phases of construction: insulation, drywall, mudding, paint, interior trim and doors, final punch
- Ability to read architectural drawings, estimate projects and develop scopes of work
- Experience and/or willingness to work effectively with/supervise volunteers, team members, in house trades and subcontractors with diverse skills sets and backgrounds
- Clear communication skills
- Seek out and participate in professional development and leadership opportunities
