

AmeriCorps

SBP AmeriCorps Construction Coordinator

Service Position Summary:

SBP, a social impact organization focused on disaster resilience and recovery, **solves the challenges facing at-risk communities** and scales impact with a proven model that brings the rigor of business and innovation to reduce risk, create resilient communities and streamline recovery. By taking this holistic approach, SBP shrinks the time between disaster and recovery. SBP does this in three connected ways—prepare, shape and build.

1. SBP **prepares** individuals, communities and organizations to mitigate risk and speed recovery.
2. SBP **shapes** federal policy and system change and state and local disaster recovery programs to be more efficient and effective.
3. SBP **builds** resilient communities efficiently and effectively and shares our proven model and approach with others.

Construction Coordinators play a vital role in supporting SBP's Build intervention by ensuring the necessary logistics that support each construction project are completed on time and accurately. Completing these tasks on time ensures predictability for our clients many of whom have been displaced or living in unsafe conditions.

COVID-19 Safety Statement: SBP requires COVID-19 vaccinations for all team members. We have an obligation to ensure that no team member poses a direct threat to the health or safety of our clients, themselves, or others in the workplace. Applicants or members in the Client Services Coordinator, Volunteer Coordinator, or Construction Coordinator roles who are unvaccinated due to a medical disability or a sincerely held religious belief may be entitled to a vaccine exemption and reasonable accommodations. Applicants or members in the Project Lead, Disaster Corps Project Lead, or Supply & Logistics Coordinator roles will not be eligible for accommodations. All vaccinated team members will be required to submit photocopies of the front and back of their vaccination cards prior to onboarding with SBP.

Essential Functions of Position:

- Obtain construction permits by submitting accurate permit applications.
- Maintain the operating site's sub-contractor database with proper documentation and identify new subcontractors.
- Attend walkthroughs with Project Managers to understand and receive bids for work from subcontractors.
- Properly organize, track and document all bids, work, and warranty information from subcontractors.
- Schedule and coordinate subcontractors to complete work on clients' homes.
- Schedule inspections for the local building department and funders, as needed, for each construction project.
- Order and process utilities and orders for sites; i.e. dumpsters, drywall, etc.
- Ensure all electronic construction files, Gantt charts, excel tracking documents, and whiteboards/white boards are up to date with accurate information.
- Adhere to SBP's Construction Manual and Safety Protocol and participate in regular safety trainings.
- Meet weekly with the Project Manager to discuss goals, construction projects, professional development, and any other issues and be open to feedback and coaching.

- Participate in September 11th Day of Remembrance and Martin Luther King Jr. Day of Service events, which may take place on a weekend or during holidays and include activities outside of the scope of typical day-to-day functions.
- Per 45 CFR §2540.100, member activities are not supplementing, duplicating, or displacing staff or volunteers.

Knowledge, Skills, and Abilities Required:

- Be at least 17 years of age or older.
- Have a high school diploma or its equivalent
- Be a citizen, national, or lawful permanent resident alien of the United States
