About SBP

SBP, a social impact organization focused on disaster resilience and recovery, **solves the challenges facing at-risk communities** and scales impact with a proven model that brings the rigor of business and innovation to reduce risk, create resilient communities and streamline recovery. By taking this holistic approach, SBP shrinks the time between disaster and recovery.

SBP does this in three connected ways—prepare, shape and build

1. SBP **prepares** individuals, communities and organizations to mitigate risk and speed recovery.
2. SBP **shapes** federal policy and system change and state and local disaster recovery programs to be more efficient and effective.
3. SBP **builds** resilient communities efficiently and effectively and shares our proven model and approach with others.
