

**Position:** Construction Project Manager  
**Organization:** SBP - Florida  
**Reports to:** Executive Director

---

### **About SBP**

SBP, a social impact organization focused on disaster resilience and recovery, **solves the challenges facing at-risk communities** and scales impact with a proven model that brings the rigor of business and innovation to reduce risk, create resilient communities and streamline recovery. By taking this holistic approach, SBP shrinks the time between disaster and recovery.

SBP does this in three connected ways—prepare, shape and build

1. SBP **prepares** individuals, communities and organizations to mitigate risk and speed recovery.
2. SBP **shapes** federal policy and system change and state and local disaster recovery programs to be more efficient and effective.
3. SBP **builds** resilient communities efficiently and effectively and shares our proven model and approach with others.

### **Project Management**

- Manage 4-10 active projects, as well as additional projects in the pre or post volunteer phase
- Create and track schedule in 24 hour increments for each project assigned and ensure that the project stays on schedule
- Track budget vs actual for each assigned project, identify trends and propose solutions to ensure more accurate budgeting within 5% of projected costs
- Schedule and coordinate subcontracted labor and/or internal trades teams as needed to allow assigned projects to become volunteer ready
- Be solutions oriented and innovative in scheduling volunteers at assigned construction projects and ensuring each project offers a meaningful volunteer experience
- Maintain accurate electronic construction files, gantt charts, whiteboards, and excel tracking documents. Provide weekly updates to the director on the status and progress of all projects
- Develop accurate and thorough estimates and scopes of work for newly assigned projects
- Provide additional support to Director of Construction/Contractor as needed

### **Warehouse Management & Material Procurement**

- Manage warehouse operations to allow for optimal scheduling, cost savings and safety
- Ensure all acquisition from vendors and warehouse follow required SBP protocol and documentation to guarantee accurate tracking of financials
- Ensure that tools and supplies are stored, maintained, tracked and inventoried in a way that protects and preserves them
- Manage warehouse AmeriCorps team so that tools, materials and supplies arrive at the right place at the right time. Document instances where errors occur to identify trends and drive solutions
- Ensure a safe, organized and clean work environment is maintained in the warehouse at all times
- Oversee the maintenance of SBP's vehicle fleet so that all vehicles are safe, preserved and properly accounted for
- Secure materials and tools in accordance with SBP procurement rules to produce maximum cost savings and efficiency of scheduling
- Develop and maintain mutually beneficial, responsive relationships with subcontractors and vendors

### **Communication with Client Services Team**

- Participate in start file meetings, period inspections and close out paperwork according to SBP or grantor protocols
- Communicate progress towards completion and answer questions from client or Client Services Team
- Support Client Services Team as needed

### **Manage Team Members**

- Provide timely support to Project Leads, Supply & Logistics Coordinators, and any other members or construction staff to ensure their respective goals are met
- Provide guidance and technical expertise to troubleshoot issues that arise
- Coordinate with Project Leads and Supply & Logistics Coordinators to order materials, maintain cleanliness, safety and quality standards
- Provide initial and ongoing training for AmeriCorps members as needed
- Conduct evaluations/reviews, terminations, vacation and sick requests
- Foster relationships of trust, respect and accountability in collaborating with other team members and departments

### **Other Responsibilities and Requirements**

- Embody the values, mission and vision of SBP in your communication and interaction.
- Effectively and positively manage multiple projects and people
- Work productively with limited supervision
- Commitment to continual improvement (of oneself, supervisees and the construction process)
- Ability to train Project Leads and volunteers in the following phases of construction: insulation, drywall, mudding, paint, interior trim and doors, final punch
- Ability to read architectural drawings, estimate projects and develop scopes of work
- Experience and/or willingness to work effectively with/supervise volunteers, team members, inhouse trades and subcontractors with diverse skills sets and backgrounds
- Clear communication skills
- Seek out and participate in professional development and leadership opportunities
- Able to satisfactorily pass a Criminal History Check to include sex offender registry, State Police, and FBI.
- Valid driver license and reliable transportation.
